PAYS TRIBUTE TO MOTHERS AT FOF SERVICES

"No human being or assemblage of humans could properly bring tribute to mothers; a celestial choir and the most silver-tongued orators could but remind us of the debt we owe our mothers," Fred G. Pfeffer, former mayor of Gettysburg, said Sunday afternoon in paying tribute during the annual Mother's Day program held by the local Eagles at their lodge home on Chambersburg St.

Pfeffer said: "Mothers, all mothers, are a treasure house filled with the jewels of love, kindness, self-sacrifice and devotion."

"The great worth of all mothers was exemplified by two to whom Gettysburg is closely associated. One lived more than 150 years ago on the then frontiers of America. She was the most American of mothers, Nancy Hanks, who passed on the highest of qualities to her son. She could read and write, no mean accomplishment in those days and at the frontier, and she handed on to her son that knowledge, that love of reading. She died when he was but 10, but her son, Abraham Lincoln, as he left from Springfield to take over the duties of President of the United States could say: 'All that I am and all that I ever expect to be, I owe to my mother.' We owe Nancy Hanks a debt of gratitude; she gave her son ideals that found perhaps their greatest expression in his brief talk at Gettysburg 101 years ago."

"And 60 years ago a midwest mother found her young son's leg badly injured. The doctor desired to cut off the leg. It was, he said, the boy's only hope. The mother begged for another day, and she brought all her family about and prayed during the night. Again the next day she begged but 24 hours more, and again there were prayers, and the boy's leg healed."

"That leg healed so well, the son in time entered West Point. He became a great general, and a great President of the United States. We own that mother, Mrs. Eisenhower, a great debt, for her son, who had become one of the great men of the world came to be our leading citizen, Dwight D. Eisenhower."

RECALLS FOUNDING

E. Glenn Raffensperger presided at the service. He read a history of Frank E. Herring, who as a teacher at Notre walked into another teacher's class and observed the students there writing post cards. The teacher said that he insisted his boys write a card home to their mother every month, that each month they had a "Mother's Day."

Raffensperger said: "The phrase stuck in Herring's mind. In February, 1904, at Indianapolis he became the first to publicly proclaim the idea of Mother's Day."

Two of the state's top Democratic leaders Saturday evening called upon the Young Democrats of Pennsylvania to assume the nation's leadership to "build a world to help people and a free government for all people."

John S. Rice, former ambassador to The Hague, a former state senator, cabinet member and agency official, and former Governor George M. Leader addressed the 125 Young Democrats and their guests at the Central Pennsylvania Area of Young Democrats banquet in the VFW home.

Ambassador Rice who, with Mrs. Rice, returned last Wednesday from a four-month tour of 16 underdeveloped countries in Africa and Asia, said that "even in the countries where our embassies are stoned the people are looking to the United States for leadership." One of the founders of the Young Democrats in Pennsylvania and the organization's first chairman, Rice called upon today's members to serve in all capacities available to them and take an active part in government.

NEED VOLUNTEERS

"After the many discussions I had on this trip with our ambassadors and officials in the troubled countries of the world, I have come to the conclusion that what we need most in the U. S. are people who are willing to devote some time and energy in the service of their government," he declared.

Gov. Leader praised Ambassador and Mrs. Rice for their work at The Hague and said, "I'm sure the people of Pennsylvania and the U. S. are not going to permit them to retire."

In introducing the former governor, Master of Ceremonies Gilbert Lupp, former president of the Young Democrats of Pennsylvania, presented a resolution adopted by the organization urging Leader to become a candidate for governor in 1966 and pledging their support to his campaign.

However, the former governor declined to comment on his plans for entering the race. He was elected governor in 1954.

Leader said, "We are living in an exciting age and we must

YOUNG DEMS CONVENE HERE

How Young Democrats fit into state and national politics was one of the topics discussed Saturday by a panel comprised of Adams County Chairman Fred G. Klunk, Judge Thomas Miller, Dauphin County, and James White, Pittsburgh, a past president of the Young Democrats of Pennsylvania, at a luncheon for representatives of 17 central area counties of the Young Democrats of Pennsylvania, meeting in a two-day convention here.

Kenneth Cole, president of the Adams County Young Democrats, hosts for the convention, welcomed the delegates. John Moffitt, Lackawanna County, president of the Central Area organization, and Richard Hostetter, Mifflin County, vice-president, also addressed the group.

The luncheon was followed by committee meetings and a business session.

The Spear Sisters, folk singers from Kent State College, Ohio, entertained at the social sessions Friday evening and Saturday.

HAVE BIG FORCE

Although there were no official figures available on the size of forces available to the junta, Imbert said his troops were capable of moving against the rebels.

Before the revolt, which deposed the civilian triumvirate headed by Donald Reid Cabral, the Dominican army was estimated at 25,000 to 30,000 men. Brig. Gen. Elias Wessin y Wessin

CAMPOREE FOR SCOUTS FROM MAY 21 TO 23

A meeting of Black Walnut Boy Scout leaders will be held Tuesday evening at 8:30 o'clock at Clapsaddle Quarry just off the Gettysburg-Littlestown Rd., to study details of the forthcoming spring camporee of the district.

Plans for the camporee were outlined Thursday night at a meeting of the district committee in the West St. branch of the Gettysburg National Bank at which plans for the meeting at the quarry were discussed. The "on the site" session will determine camping sites and generally review at the scene the location of various activities planned for the session.

Also scheduled for Tuesday night is determination of the scoring to be used for the "Gold Rush" competition during the camporee.

TO SOLVE PROBLEMS

During the May 21, 22 and 23 campout each patrol will be given a number of "problems" to solve under the general supposition that the patrols are actually prospectors during the "Gold Rush." One problem has the youths, their water bags empty, locating a stagnant, muddy, contaminated pool. The patrol has only an ore pan and two matches. Its problem will be to make one quart of water safe to drink.

Another problem involves a party returning to the base camp when darkness overtakes it. One of the number falls over an embankment. The patrol must rescue the fallen prospector by use of rope and signals. Since it is dark, all those participating in the rescue are to be blindfolded. A number of other problems are to be given, all involving the Scout's knowledge of some skill they have been taught during their Scouting year, according to Melvin Worley, district committee chairman.

ACCEPT RESIGNATION

The resignation of Dr. Richard Greenholtz as training chairman for the district was accepted with regret. The Littlestown dentist, who has been very active in district affairs for the last several years reported pressure of business prohibits his continuing in the post.

Finance campaign Chairman Charles Kingston reported the annual drive for funds "is within \$1,000 of its goal of \$6,800 and we are calling on everyone to help us make the goal as quickly as possible."

District Commissioner James T. Hays Jr. reported appointment of Adolphus Walker Jr. as neighborhood commissioner in Hunters-town.

URGED TO PARADE

A letter was read from William G. Weaver, secretary of the local Memorial Day committee, urging all Scout units to take part in the annual parade here Sunday afternoon, May 30. The Scouts will form on Springs Ave. at 1:30 that afternoon.

Crosby N. Hartzell reported that a new row boat has been purchased for Camp Tuckahoe.

Organization and Extension Chairman Joseph Sunbury reported formation of a new Cub pack in Bendersville.

The health and safety committee urged members of the district group to be at the Keefeauver School at 12:30 this afternoon to assist the Optimists in the annual bike rodeo.

Advancement Chairman Meriville Zinn reported a special board of review for eight boys will be held next week.

CHURCH PLANS NEW ADDITION

(See Photo Page 3)

Ground was broken for an education building at the Upper Bermudian Lutheran Church, Gardners R. 1, at 3 p.m. Sunday. The service of ground-breaking opened in the church and later the congregation went to the site of the new addition.

The Rev. Dr. Arthur Yeagy, assistant to the president of Central Pennsylvania Synod of the Lutheran Church in America, was the guest speaker. Basing his remarks upon the parable of the talents from the teachings of Jesus, Dr. Yeagy said, "We are met here to dig in the ground much like the man in the parable who dug in the ground to hide his talent. We seek today, not to hide in our digging, but to use it as a means of bearing a fuller and more meaningful witness to Christ in these wonderful and yet terrible times in which we live."

Participating in the ceremony was the pastor, Rev. Douglas Y. Boden, Maurice Miller, chairman of the executive building committee; Guy Lobaugh, chairman of plans and construction committee; Allen Cline, representing the Sunday School and as vice-president of the church council, and Miss Marie Prosser, president of the Ladies' Aid Society.

capture the imaginations of youth to build the leadership care." He advocated Young Democratic programs on every college and high school campus to "prepare our young people" to solve the problems of the world. He referred to a number of Democratic leaders who developed their political affiliations under the Young Democratic corps, among which were Ambassador Rice, and said, "We need the productive and progressive thinking of liberal Democrats to take the good things of this country to the rest of the world."

In an unprepared 40-minute speech in which he praised the Johnson administration for its "frontal attack on the major problems of this country," Leader said, "We are not in Viet Nam to exploit or colonize... but to help the people... we are in the Dominican Republic to save the lives of other nations... and we are helping to fight a Communist take-over in Brazil."

"SERVE MANKIND"
He said, "The last best hope of mankind is our Christian teaching, and we must go—dedicated to serve mankind in everything we do."

Both Leader and Rice received standing ovations from the crowd which included county chairmen of a number of adjoining counties, local Democratic officials and representatives of 17 of the 26 counties comprising the Central Area of Young Democrats.

County Chairman Fred G. Klunk and Kenneth Cole, president of the Young Democrats of Adams County, welcomed the group. Congressman N. Neiman Craley pledged the support of the Democratic party to Gov. Leader "if we can talk him into becoming a candidate in 1968."

"TIME WILL TELL"

Who are good or who are bad... is very hard to say... for life is very mystifying... in the strangest way... people regarded as the good... are often proven bad... whereas those seeming worthless... are sometimes righteous-clad... we never can be certain of... the winner of a game... for very often unknown souls... skyrocket into fame... those seeming best may be the worst... eyes seldom can foresee... the consequences of this life... or what will come to be... prophets I know have been correct... but more than often wrong... for destiny is unforeseen... and sings a funny song... each new tomorrow may bring forth... a heaven or a hell... so all of us must wait and see... for time alone will tell.

Miss Viola E. May, daughter of Mr. and Mrs. Homer H. May, Fairfield, became the bride of R. William Reaver Jr., son of Mrs. M. L. Hankey, R. 2, and Rufus W. Weaver, W. High St., Saturday afternoon at 2:30 o'clock in St. John's United Church of Christ, Fairfield. The Rev. Robert Paden, pastor, performed the double-ring ceremony.

The altar was decorated with palms, white gladioli, carnations and candelabra. The pews were accented with white bows.

Miss Donna Jean Myers, the organist, played "Traumeri," "I Believe," "O Promise Me," "Indian Love Call" and "Blest Be the Tie That Binds." She accompanied the soloist, Mrs. Charles Sterner, who sang "Because," "I Love You Truly" and "The Lord's Prayer."

GIVEN BY FATHER

The bride, given in marriage by her father, wore a floor-length gown of pure organza styled with a fitted bodice and long tapered sleeves. The bodice and bell-shaped skirt were adorned with Chantilly lace appliques and seed pearls. The back of the gown had a self-made rose at the waist, ending in a chapel train. Her chapel veil of imported silk illusion fell from a cluster of organza and sequins. She carried a cascade of white gladioli and feathered white carnations, and a white lace handkerchief that belonged to the groom's grandmother.

The matron of honor, Mrs. Larry Hykes, wore a floor-length gown of blue peau de soie, fashioned with a bateau neckline, elbow length sleeves and a bell-shaped skirt. The headpiece consisted of a matching bow attached to a circular veil. She carried a sunburst bouquet of pink gladioli and white feathered carnations.

BRIDAL ATTENDANTS

The bridal attendants, Mrs. Raymond Wetzel and Miss Linda Hay, wore gowns identical to that of the matron of honor and carried yellow and white sunbursts similar to that of the matron of honor.

Miss Karen Paden, the flower girl, wore an empire-styled floor length gown of white peau de soie trimmed in blue. She carried a basket of white and yellow gladioli with carnations and wore a crown of the same in her hair.

no injuries, occurred at 9:10 Saturday morning five miles south of here on the Littlestown Rd. at Two Taverns. Involved were a truck driven by James Yeager, 43, Pine Grove R. 1, and a compact auto driven by Ruth Toomey, 202 Jefferson St., Hanover.

State police said Reese was driving south when his car went across the center of the highway 190 feet north of the intersection of the highway with the road to Lincoln Speedway and crashed almost head-on into the northbound tractor-trailer. Damage was estimated at \$800 to the Fiat sedan and \$1,200 to the tractor-trailer.

WORLD WAR II VET

Reese, a veteran of World War II, was a son of the late Harry and Alta Pearl (Ostot) Reese. Surviving in addition to his wife, the former Mary Keller, are a daughter, Robin Reese, at home, and seven brothers and sisters. Funeral services will be held Wednesday afternoon at 2 o'clock at the Baggus Funeral Home, Belleville, with interment in the Allensville Presbyterian Church Cemetery.

Damage was estimated at \$2,600 in the accident on the Littlestown Rd. Sunday morning. The damage to Fissel's car was estimated at \$2,400 and to the Miller truck at \$200. According to police, Miller's tractor-trailer was coming onto the highway from a private drive while Fissel was driving south and came upon the truck over the crest of a hill. The car side-swiped the truck and then crashed into guard rails. Passing motorists and the Gettysburg firemen's ambulance removed the five injured to the Warner Hospital.

The accident at Two Taverns occurred, police said, when the Toomey car slowed to make a right turn off the Littlestown Rd. and was struck in the rear by the Yeager truck. Damage was estimated at \$50 to each vehicle.

Guides Will Give Tourists Receipts

Receipts to be given by battlefield guides to their customers with a copy of each to be given to the National Park Service have been issued to the guides. Use of the receipts was explained at a guides' meeting Friday evening at the Visitor Center.

Guide Supervisor Milton Thompson discussed with the guides the possibility of issuing temporary licenses to extra guides for the peak of the tourist season.

Mr. Thompson stressed the necessity of a "good public image" on the part of the guides. "The Park Service is interested in good guide service from the standpoint of service to our visitors. A visitor satisfied with a guided trip over the field is the best advertisement a guide could receive and the opposite is likewise true," Thompson said.

The receipts will show the type of tour, time spent on the field, the fee collected, the guide's number, the point the tour originated, the number in the party and the car's license number.

Out Of The Past

From the Files of the

ONE HUNDRED YEARS AGO

The Last Of Earth: The remains of President Lincoln were interred at Springfield on Thursday. The funeral procession, an immense one, was under Major General Hooker, Marshal in Chief and Brigadier Generals Cook and Oaks. There were seven Governors present, with a large number of members of Congress and State municipal authorities. Free Masons, Odd Fellows and C. Bishop Simpson delivered the funeral address. The scene was a most impressive one and deeply affected the thousands present.

The Conspirators: Jeff Davis and several leading rebels will be included in the bill of indictment before the military court for the trial of the murderers now in custody and yet to be captured. It has been determined to push the trial rapidly through. The court will sit early and late. Six stenographers will be on hand to take down testimony and write it out the same day. It has not yet been determined whether it will be open or not but the present probability is that it will be. Mrs. Surratt and sixteen leading male conspirators are now confined in the old penitentiary building at Washington, handcuffed, closely guarded and forbidden intercourse with one another and with outsiders. The confession of Harrold, and the documentary evidence found on Booth's body, fastens, beyond cavil, the plot and its full sanction upon Jeff Davis and his Canada commissioners. The whole point of land known as the Washington Arsenal is under a strong military guard.

The assassination of President Lincoln and the attempted assassination of Secretary Seward has created the most profound sensation of horror throughout Europe, calling forth everywhere expressions of sympathy and respect. Large meetings had been held in London, Liverpool and other cities and towns and resolutions denouncing the murder adopted. In both Houses of Parliament the sad news was announced and notice given by Earl Russell and Lord Grey of addresses requesting Queen Victoria to express the sorrow and indignation of England. In Paris universal regret was expressed; and the Chamber of Deputies in Italy was draped in mourning and resolutions of grief adopted.

Soldiers' National Cemetery. Work on the Soldiers' National Cemetery at this place is progressing handsomely, about sixty hands being employed in the various departments. The iron railing dividing the National from Ever Green Cemetery has been put up and gives much satisfaction, being neat, substantial and altogether in good taste. It is constructed of gas pipe and metal posts and is to be lined with hedge shrubbery. The gateway and iron fence in front have been completed likewise and elicit general admiration. Ninety-five different varieties of trees have been selected, many of the most choice, in all numbering about one thousand — furnished by Mr. George Peters, near Bendersville. Messrs. Conroy and Hargrave, the contractors for cutting and setting the headstones, are at work with a considerable force of hands and are making a good job of it. The material for the National Monument is now being collected and the foundation will probably be laid during the summer. It will occupy a central and very commanding position.

Today's Talk

WHY DIDN'T YOU?
What wonderful managers most of us would make of other people — that is, managers of their personal lives! How evident is this fact illustrated by those who are forever telling someone else: "Why didn't you do this, or that?"

In the first place the one who says this isn't the other person, with that person's personality, problems or mind make-up. We all make mistakes. We all make the wrong decision at times, and we all have our own way of doing a thing that is characteristic of us. Then how is it that someone else is so wise that he or she feels able and invited to do a better job at anything that we can, or have done? Strange, isn't it?

If we all knew in advance the right way to do a thing, we would never make any mistakes, and we would have nothing to learn. Fair-minded persons are always ready and willing to accept suggestions, but their intelligence and God-given privilege of thinking things over for themselves is given a rude jolt when someone else says: "Why didn't you do it this way?" (And, of course, his or her way.)

You will find these "why didn't you?" people everywhere. They are in your own home, perhaps, in your office, and among your friends. And they are just the persons who never like interference with the way they do things! A person relates an incident in which a certain course of action was taken, to the best of that person's judgment and ability. But there is always someone within the same area who will pop up the question: "Why didn't you do this and so?"

There is always such a wise-neck within hearing distance, ready to offer a better way to do what has already been done. Few of us there are who do not feel that most of the things we do might have been done better or differently but if they had been we would not have been what we are!

We must all work out our own salvation and philosophy of life. We wouldn't be a personality or an entity as a person if we didn't do things that might be questioned. But we like to be questioned by those who have proved themselves to be superior to us from personal experience.

SEVENTY-FIVE YEARS AGO

The Proposed Removal Of The Lutheran Theological Seminary: There was a conference last night at Harrisburg of persons to consider the expediency of removing the Theological Seminary from Gettysburg to one of the large cities — Baltimore or Washington. We go to press before hearing the result. This movement came over from last year and will get final solution in June at the meeting of the Board of Trustees of the Seminary. Pennsylvania College passed through two such crises, one before the war and one since the war. The latter was the more serious but both were signally defeated. Every one now sees that they were wisely defeated. The probabilities are that the Seminary will likewise be spared the misfortune of being torn up by the roots after over a half century of growth and of being planted in new soil. It is difficult to imagine a tenable argument for such a proposition. The Seminary now stands for something distinctive in the world and is identified with Gettysburg as its home. Transported it would lose all the individuality it has acquired and be obliged to begin where its fathers — the Schmuckers, and Kurtzes, and Herbsts of that day — began when they placed it here — on Gettysburg complying with the terms which were exacted. The suggestion that a Theological School should be located in or near a great city is one of the flimsy arguments which bear upon questions of personal convenience and which disregard the prime condition for study, for improvement and for proper development.

Mr. Jere Diehl was appointed last week superintendent of the Gettysburg and Petersburg Turnpike Company, during the disability of Mr. Samuel Cobean, who has since died. The company declared a dividend of one-half per cent.

PEACEFUL STREETS
Every town has many a street where at peace the neighbors dwell.
Protestant and Catholic meet
With the greeting: "Hope you're well!"
And on one should sorrow fall,
Jew and Gentile come to call.

Should a child of one be ill,
Other mothers offer aid.
At the evening hour, there will
Several forms of prayer be made.

All that one is asked to bear,
Those who live nearby will share.

Strange that on a peaceful street
Many a difference is forged,
But when groups and nations meet

Hatred rules and love cannot.
Where are sympathetic hearts
Peace abides and strife departs.

Eastern League

By THE ASSOCIATED PRESS

Add another Eastern League team to the growing list of believers. This time, it's the Springfield Giants who must believe that the Elmira Pioneers have the toughest pitching staff around.

The Pioneers got some tough pitching—for the fourth game in a row—and defeated the Giants, 3-1, 1-0, in a doubleheader Sunday.

Elmira defeated the Giants, 2-1, in a record 27-inning contest Saturday, and last Thursday, Ed Watt pitched a 5-0 no-hitter against Reading. Incidentally, it was Watt's second no-hitter of the season — he blanked Williamsport on opening day.

Rounding out EL action Sunday, Reading defeated Williamsport, 5-1, in the day's only single game, and York and Pittsfield split a doubleheader. York won the opener, 9-7, and Pittsfield copper the nightcap, 2-1.

Pittsfield scored the tie-breaking run in the seventh inning, taking advantage of two errors to win the nightcap after York scored six runs in the ninth inning for a come-from-behind first-game victory.

Reading pitchers stranded 14 Williamsport base runners. The Mets filled the bases twice, in the first and third innings, but failed to capitalize. Tommy Lee, who relieved starter Harold Kurtz, pitched hitless ball over the last four innings to get the win.

MAY CROWNING CEREMONIES HELD SUNDAY

Dawn Hood, daughter of Mr. and Mrs. Charles Hood, Windsor St., was the member of the first Communion class who had the honor of placing a wreath of flowers on the head of the statue of the Blessed Mother at the annual May crowning ceremonies in St. Aloysius Catholic Church Sunday evening. Her attendants were Mary Klunk and Barbara Gross, both of whom wore long gowns in pastel shades and carried bouquets. The crown bearer was Hugh Redding.

All the children of the school participated in the procession, the children of the First Communion class walking together, the girls wearing their First Communion veils. The other girls in the procession wore floral wreaths as head-dresses.

"Immaculate Mary" was the processional hymn and was followed by the traditional "Bring Flowers of the Rarest" during the crowning ceremony. The Act of Consecration to the Blessed Mother was said by all the children of the school. The hymn, "Veni Creator," preceded the sermon by the pastor, the Rev. Dr. John E. Metz, whose message concerned thoughts about the Mother of God and man's need to seek her intercession with her Divine Son. "Remember Holy Mary" was the final hymn prior to benediction of the Blessed Sacrament which includes the hymns "O Salutaris" and "Tantum Ergo." "Holy God We Praise Thy Name" was the recessional.

Cross bearer for the process on was George Wherley, David Klunk and Norman Redding were acolytes. Thomas Gingrow was censor bearer; Clyde H. Rohrbach was incense bearer and the servers were Harold Storm and Robert Altoff. Miss Anna C. Weaver presided at the console. The church altars were decorated with cut flowers.

Mass on Tuesday and Friday in St. Aloysius Church will be celebrated at 8:15 a.m. No Mass on Wednesday and Thursday but Holy Communion will be distributed at 7:15 a.m. Mass on Saturday will be celebrated at 7:30 a.m. in the convent chapel.

Gettysburg Trackmen Take Little Three Meet As Six New Marks Are Established

With a fine all-around performance including the establishment of four of the meet's six new records, the Gettysburg College track team copped the annual Little Three meet Saturday afternoon in Lancaster before a large crowd under overcast conditions. The Bullets rolled up 78 points compared to Franklin and Marshall's 46 and Dickinson's 38.

F and M's Tim Wagner was the first to set a new mark as he sped through the 440-yard dash in 49.8 seconds, bettering Gettysburg's Chris Hayden's record of 50.9. Hayden finished second with another 50.9-second performance. Gettysburg's human bullet, Don Arding, tied the record for the 100-yard dash with a 9.9-second timing. He becomes the fourth man in the Little Three history to reach that mark.

MORE RECORDS

Sophomore Rick Gilbert zipped through the 880-yard run in 1:59.1 to establish a new mark in that event. He surpasses Wagner's mark of 2:00.8 set last year. Wagner was held to a fourth place on Saturday. Arding followed with another outstanding job in the 220, romping past the finish line in 21.5 seconds to better the meet record of 21.6 set by Hayden. Arding's time also placed him just one-tenth second away from the Gettysburg school record of 21.4 set by Howard Bostock back in 1915. The Franklin and Marshall mile relay team set a new meet mark, bettering the 12-foot jump of Gettysburg's Rambo in 1947 and Dickinson's Wib Gobrecht's leap in 1952. The tall vaudeville act better his own school record of 13 feet set in the Penn Relays.

Besides Arding's double win, Shoupe also copped the 120-yard high hurdles for his two wins. The only other double winner was Franklin and Marshall's Dave Turner, crossing the finish line first in the mile and two-mile runs. Gettysburg received another pleasant surprise when Sophomore Jack Costner fired the discus 135 feet to take a first in that event. Costner's throw was only 1'4" off the five-year-old school mark. The Bullets' strongest showings

came in the 440-yard dash and the javelin when Coach Hal Glad's cindermen took three of the four places.

The Bullets will be idle until the weekend when they will send a full squad to the annual Middle Atlantic Conference track and field championships at Lehigh University, Bethlehem. The two-day affair will start Friday afternoon and finish late Saturday afternoon. The meet will be split in the usual university division, of which Gettysburg is a member, and the college division.

DERBY CHAMP WILL MAKE BID IN PREAKNESS

By TED MEIER

Lucky Debonair, winner of the Kentucky Derby, goes after the \$150,000 Preakness at Pimlico in Baltimore this week in his campaign to become racing's first Triple Crown winner in 1919.

A smaller field than the 11 that went to the post at Churchill Downs is expected for the post parade at approximately 4:35 p.m. EST, some 10 minutes before the start of the race.

Already declared out of the 1-3-6 miles of the second event in the Triple Crown is Jacinto, who was favored over Lucky Debonair in the Santa Anita Derby, but finished second.

The William Haggin Perry colt was found to be still troubled with an ankle injury and was scratched from the Preakness Prep Saturday as well as the Preakness.

Sure to be back to challenge the Derby winner, owned by Mrs. Ada L. Rice of Chicago, will be Ogden Phipps' Dapper Dan, beaten only a neck in the Derby after a thrilling charge from last place, and Isidor Bieber's Flag Raiser who set the pace for one mile in the Derby, then faded to eighth.

Flag Raiser again is expected to go to the front in the Preakness under jockey Bobby Ussery. The Bieber colt warmed up with an eight-length victory in the stake record time of 1:34 1-5 in the Withers Mile at Aqueduct Saturday.

Jockey Willie Shoemaker was undismayed, however, and confident that Lucky Debonair will win the Preakness.

Other 3-year-olds expected to go in the Preakness are Tom Rolfe, Native Charger and Hail To All who finished third, fourth and fifth, respectively, in the Derby.

Lewiston, Me., Delighted As Site of Fight

LEWISTON, Maine (AP)—While local reaction ranges from disbelief to delight, backers of the transplanted Cassius Clay-Sonny Liston heavyweight title fight May 25 figure they've converted the Boston ban into a bonanza.

From Gov. John H. Reed on down, leading public figures and businessmen welcome the world championship event with open arms. Some other citizens still can't figure how the community of 41,000 suddenly is a focal point of the sports world.

It happened of course when legal entanglements and an effort to have the bout banned in Boston left Inter-Continental Promotions Inc. and Sportsvision, which handles the closed circuit television rights, too little time. They could afford no more uncertainties.

So they decided between Bangor and Lewiston, settling on the latter which is closer to Boston, 140 miles to the south. The site, instead of Boston Garden with its 13,909 capacity, is the Lewiston Youth Center where fire laws restrict seating to 3,000. But efforts are being made to expand it to slightly over 5,000.

One Inter-Continental spokesman says Dist. Atty. Garrett Byrne in Boston who sought an injunction banning the fight "may have done us a big favor. It looks as though we'll do better financially here than in Boston."

The spokesman said the rent of the building is \$225,000 less than in Boston and the taxes \$116,000 lower.

"With the fight out of Boston we open up another big city for the closed-circuit TV, and that's where we'll make our money," the spokesman continued.

GILBERT WINS MATCH

Robert Gilbert, Chambersburg St., defeated Sam Spera, Philadelphia, 613 to 597 in their National TV bowling match which was televised Sunday over the Lancaster station. Gilbert received \$750 and a trophy for his triumph.

Warriors Third, Cannors 6th In Blue Mountain Conference Meet Won By Boiling Springs

Gettysburg's Chris Richardson and Biglerville's John Pitzer made impressive showings in the annual Blue Mountain League track and field championships at East Pennsboro High School Saturday afternoon.

Richardson was the lone Warrior to cop a first place in the meet when he threw the shot 50' 2 1/2" for a first place. Pitzer was the only other area high school athlete to come in first as he tied Camp Hill's Jim Reinacker in the 180-yard low hurdles in 21.9 seconds. Despite a first place tie, Pitzer turned out to be a work-horse as he finished third in the 100 and took second in the 220.

Boiling Springs won the overall team title with a total of 54 points. It marked the first championship for the Bubblers and in fact it was their first title in any Blue Mountain contest since joining the ranks in 1959. Curt Barber paced the Bubbler attack by winning the 220 in 23.5 seconds and taking a first in the 440 in 53.4 seconds. The only other double winner was Camp Hill's Reinacker. Besides tying Pitzer in the low hurdles, he copped the high hurdles in 16.4 seconds.

As a team Gettysburg came in third behind Camp Hill with 31 points and Biglerville finished sixth with 20 1/2 tallies.

Bendersville continued its unbeaten streak in the South Penn Baseball League Sunday by winning its fourth straight at Mummasburg 13-4.

A run in the 10th inning enabled Littlestown to come from behind for a 7-6 decision over Taneytown on the winner's field, the loss being the first for Taneytown.

Ralph Dusan's fifth single, a passed ball, and a single by Bill Heyser pushed over the winning run.

Littlestown trailed 6-1 before coming up with four runs in the bottom of the third. In the fourth inning the Littontians tied the score on a single by Dusan and triple by Mark Snyder.

Bob Weaver Jr. started on the mound for Littlestown but gave way to his father, Bob Weaver Sr., in the third and the latter shut out Taneytown the rest of the way while fanning eight.

Four runs in the top of the first inning paved the way as Bonneauville won a 6-3 verdict at Harney for its third triumph in four starts.

McSherrystown Wins Two

McSherrystown moved into a tie with Bonneauville for second place via a 10-2 win at Mummasburg Saturday and a 7-5 triumph over invading New Oxford Sunday.

On Sunday, McSherrystown broke a 5-5 tie with two runs in the fifth. With the bases loaded, Tom Wheeler bunted to send Murren across and Jim Liversberger followed with another single to admit Martz. Martz, McSherrystown hurler, held New Oxford hitless from the fifth inning on.

New Oxford had knotted the score with three runs in the fourth on singles by G. Grove and D. Groft, a fielder's choice and double by Joe Lawrence.

The Brushtown-Cashtown game was postponed due to wet grounds and has been rescheduled for Wednesday evening.

It was also announced today that another date has been set for the Littlestown-New Oxford makeup. It will be played at New Oxford Tuesday evening, May 25.

PINCH SINGLE BY INJURED DICK SISLER BEATS BUCS

By MURRAY CHASS
Associated Press Sports Writer

It figured. Soon as Cincinnati Manager Dick Sisler needed a pinch hitter he called on Frank Robinson, the guy with the Most Valuable Thumb in the National League.

Batting with a badly injured left thumb that has turned him into a part-time player, Robinson rapped a pinch single with the bases loaded in the ninth inning Sunday, driving in two runs and giving the Reds a 5-3 victory over Pittsburgh.

The Cincinnati slugger batted — for the first time since Friday night — despite a badly swollen left hand stemming from the thumb injury he suffered a week ago against the New York Mets in the first game of a doubleheader.

CUBS, ASTROS SPLIT
Robinson, the National League's Most Valuable Player in 1961, jammed the thumb diving back to first base before being picked off by Jack Fisher in the fourth inning. He left the game for a pinch-hitter in the fifth.

Scheduled to start Saturday, he was pulled from the line-up at the last minute. His insertion into the line-up Sunday came at the last minute, too — much to the anguish of the Pirates.

Elsewhere in the NL, Chicago whipped Houston 7-1 after losing 11-5. Milwaukee dropped New York 8-2 before bowing 5-4. Philadelphia trimmed St. Louis 4-2 and San Francisco defeated Los Angeles 6-3.

TWO BANKS' HOMERS
Robinson's winning hit climaxed the three-run rally that wiped out a 3-2 Pittsburgh lead. Pinch-hitter John Edwards singled across the tying run before Al McBean walked Leo Carneas, filling the bases. Bob Veale replaced McBean, and Robinson drove in Marty Keough and Edwards.

Ernie Banks homered twice and increased his major league-leading runs-batted-in total to 32 in Chicago's second — game triumph. Glenn Beckert and Don Landrum also homered for the Cubs.

THREE TORRE HOMERS
In the opener, Houston collected 18 hits for the second straight game with Rusty Staub driving in five runs on a homer and a double. John Bateman and Jim Wynn added homers for the Astros.

Joe Torre slammed three Milwaukee homers, but the Braves could gain only a split with New York. The Mets deadlocked the second game with three runs in the seventh, the tying tally coming home on a bases-loaded walk to Ed Kranepool. Kranepool then won the game in the ninth with a bases-loaded single.

Torre, who socked two of his homers in the nightcap, got the Braves started in the opener with a two-run homer in the first inning. Mack Jones, who also homered in the second game, added a two-run homer

Contending For Worrell Trophy

UNIVERSITY PARK, Pa. (AP)—Linemen continue to dominate the competition for the "Red" Worrell trophy symbolic of the most improved Penn State football player during spring practice.

The latest in this line of winners is Ed Lenda, a sophomore tackle from McKeesport, who was selected Saturday at the conclusion of the Nittany Lions' spring drills.

The trophy is presented in memory of Robert T. (Red) Worrell, the promising freshman fullback who was electrocuted in 1957 in a freak accident at his Denbo home during his Christmas vacation.

Lenda is the seventh lineman in the eight-year existence of the award to be so honored.

NEW WORLD RELAY MARKS
FRESNO, Calif. (A)—Stanford and Oklahoma State have world-record performances today pending official recognition after the weekend of the West Coast Relays produced a series of great collegiate performances.

The Cowboys of Oklahoma State sped to a world-record shattering performance in the two-mile relay after Stanford's Indians raced to a 440-relay record.

Most unexpected was the Indians' performance when they posted a time of 39.7, lowering the mark set last year by an Australian National team at 39.9.

After winning the 100 in 9.3 seconds, Larry Questad of Stanford anchored a team with Eric Frische, Dale Rubin and Bob McIntyre to the record. His performance earned Questad the outstanding athlete award.

The Oklahoma State quartet sped over the fast Ratcliffe Stadium clay in 7:18.3 to better the world standard of 7:19 shared by Villanova and Oregon State.

LANCASTER, Pa. (AP) — With two weekends of bowling remaining, Dotty Leiphart of Red Lion holds the Class A singles lead in the Pennsylvania Women's Bowling Association Tournament. Betty Altland and Ruthanna Perarson, York, retained their doubles lead; Fierstein Olds of Philadelphia remained team leader, and Rose Weinstein of Philadelphia held on to her all-events lead.

and Denis Menke a three-run blast in support of Tony Cloninger's six-hitter.

TWO PHILLY HOMERS
Home runs by Dick Stuart and Johnny Callison powered the Phillies past the Cardinals. Both came off Ray Sadecki, 0-4. Stuart's homer followed Richie Allen's triple in the first while Callison connected in the third. The Giants rallied for four runs in the eighth inning and handed Sandy Koufax his second defeat against three victories. Jesus Alou singled across the tying run, and Ed Bailey sent home the decisive run with a sacrifice fly. Juan Marichal singled in the final run and brought his record to 5-2.

BROKEN THUMB NO BAR TO KEY SINGLE IN 12TH BY ROBINSON

By MIKE RATHET
Associated Press Sports Writer

It figured. Soon as Baltimore Manager Hank Bauer needed a pinch hitter he called on Brooks Robinson, the guy with the Most Valuable Thumb in the American League.

Batting with a broken right thumb that is expected to keep him out of the starting line-up for about 10 days, Robinson slapped a pinch-hit single in the 12th inning and scored the winning run as the Orioles completed a doubleheader sweep by edging Detroit 5-4 Sunday.

The Orioles had won the opener 7-1 with Robinson playing four innings before he finally submitted his swollen and discolored right thumb to X rays that revealed a fracture between the knuckles of the finger.

INJURED SATURDAY
The Most Valuable Player in the AL last season when he hit .317 with 28 homers and 118 runs batted in, Robinson suffered the break when he was hit on the hand by a Hank Aguirre pitch in Saturday's game against the Tigers.

"The doctor told me it would take 10 days for the swelling to go down," said Robinson, "and that it would be up to me to play when I felt I could."

Robinson felt he could pinch hit in the 12th and stroked a one-out single off Fred Gladning. He moved to second when Gladding hit Paul Blair with a pitch and scored on Norm Siebern's single.

INDIANS SWEEP PAIR
Another part — timer, Fred Whitfield, lashed seven hits in nine at-bats and drove in three runs in each game as Cleveland defeated Boston twice, 9-4 and 10-7. Elsewhere, Washington edged the New York Yankees 5-4. Minnesota belted the Chicago White Sox 6-1 and Los Angeles Angels downed Kansas City 5-3.

The Orioles won the opener behind the six-hit pitching of Milt Pappas, who was making only his second start since injuring his knee April 19. Boog Powell drove in three runs with a homer and two sacrifice flies.

The Tigers pulled out to a 4-2 lead in the nightcap on two-run homers by Al Kaline and Willie Horton before the Orioles tied it in the seventh when Jim Northrup misjudged Luis Aparicio's liner that went for a triple.

32-HIT SPREE
The Indians collected 32 hits in the twinbill against the Red Sox with Whitfield, who is platooned at first base, collecting a single, double and triple in the opener and a double and two singles in the nightcap while raising his average 121 points to .423.

Whitfield recovered considerable support in the batting department in the second game with Rocky Colavito and winning pitcher Sonny Siebert slamming homers. Tony Conigliaro hit two for Boston, his sixth and seventh, while Lee Thomas contributed one.

The Senators snapped a 2-2 tie in the seventh on Don Zimmer's sacrifice fly with the bases loaded but scored the eventual deciding run in the eighth on two walks issued by Hal Reniff, a hit batter by Gil Blanco and a dropped third strike by Bob Schmidt.

Camilo Pascual won his fourth game without a loss for the Twins, checking the White Sox on seven hits and also hitting a homer. Zoilo Versalles added another homer for Minnesota. A pinch-hit single in the seventh inning by Moose Skowron produced the Chicago run.

Jose Cardenal was the key for the Angels, slamming a homer and single and also stealing home. Fred Newman brought his record to 4-1 with Bob Lee's relief help as Los Angeles won its seventh game in the last eight.

BELMAR, N.J. (AP) — Bill McCarthy of Freehold won the featured 30-lap stock car race at Wall Stadium Saturday night, despite a late bid by Joe Kelly of Quakertown, Pa. The winning time was 7:58.4.

PHILADELPHIA (AP)—Manager Gene Mauch says Art Mahaffey will be "pitching a great deal" from now on.

And why not? Mahaffey, who has been used infrequently of late, hit the comeback trail Sunday by pitching the Philadelphia Phillies to a 4-2 victory over the St. Louis Cardinals.

"I feel great," Mahaffey, once a 19-game winner, said after the game.

Mauch, who has been taking medication for the past few days, added: "having Mahaffey pitch like that may be better than any medicine in the world."

LEAVES IN 9TH
It was the first bit of distance hurling the righthander has done since last summer. He had a five-hitter going until he got one out in the ninth inning and Ed Roebuck came in to mop up.

"I threw almost all fast balls," said the tired, but happy hurler in the clubhouse. "I think I threw about three curves and six changes, and the rest were fast balls."

For the first five innings, Mahaffey didn't walk a batter and yielded just one hit. The Cardinals' only run off Mahaffey came in the first when Lou Brock was safe on an error, stole second and scored on Curt Flood's double.

off Ray Sadecki in the first inning on Richie Allen's triple and Dick Stuart's third home run.

Johnny Callison's fifth home run in the third and three singles in the fourth accounted for the other runs.

Mauch figured Mahaffey fired about 130 fast balls.

"I never saw anyone work harder," he said. "But I'm never surprised when Art throws a good game. He'll be pitching a great deal, but I can't tell just how soon again. This game took a lot out of him physically and he may need some rest."

"I WAS TIRED"
Mahaffey sweated out the final two outs of the game in the dugout.

"I really wanted to finish — but I wasn't sore about going out," he said. "I was tired." The big righthander walked Bob Skinner and pinch-hitter Dick Groat stroked a single. That's when Roebuck came in to put out the fire, but not before the Redbirds scored one run.

"He had given us everything he could," said Mauch of Mahaffey.

LANCASTER, Pa. (AP)—The Predmore brothers captured the honors in this year's Middle Atlantic Conference individual tennis championships. Richard Predmore of Swarthmore defeated Robert Morris of Temple, 6-4, 6-0, for the singles crown Sunday, while his brother, Jim, teamed with Roger North, both of Swarthmore, to defeat Bill Tobin and Roger Conant of Delaware, 6-2, 6-4, for the doubles title.

MATSON SAYS 70 FEET IS ABOUT LIMIT

COLLEGE STATION, Tex. (AP) — Randy Matson, the man with the truck driver's torso, legs of a ballet dancer and grunt of a bull elephant, flipped the shot 70 feet, 7 inches and declared, "Around 70 feet is the ultimate for this thing."

Which means West Coast track fans perhaps shouldn't start expecting 75 feet Friday night when he competes in the Coliseum Relays at Los Angeles.

They will, however, because the mighty Matson, who warms up for the shot put with 68-foot throws, already is ranked with Hercules, Sandow and others of that ilk.

MUST BUILD UP
Not by Matson, though. He gives the impression of being awed by the feats of others but not having too much confidence in himself.

"I need a rest so I can work with the weights and build up my strength," he said after he had thrown the shot five times and the shortest was 67 feet, 9 inches. "And I need more speed across the ring."

His opponents, Jim Lancaster of Baylor, for instance, probably think Randy needs more strength about like the Empire State Building. Lancaster was beaten 14 feet, 9 inches by Matson in the Southwest Conference meet here the past weekend when Randy set the world's record of 70-7.

HE'S ONLY 20
The reason Matson thinks he isn't strong enough is that he can lift only 350 pounds while Dallas Long, the fellow whose world's record of 57-10 Matson has bettered three times, can lift 510.

Matson must be wondering what he will be able to do when he has reached his growth. He is only 20 and is a sophomore in college.

"I have been 6 feet, 6½ ever since high school," said Matson, acting like he feared he might turn out to be a runt, at least among the Giants. "I have gained some weight (now he's 256), but I need to be about 270 so I can be stronger."

16-Year Old Girl Killed In Crash

SUNBURY, Pa. (AP)—Four young persons were injured, one of them fatally, early today when an automobile ran off the road, bounced off a tree and sheared off a utility pole.

Karen Strouse, 16, Lewisburg, died of her injuries at Sunbury Hospital at 5 a.m.

Hospitalized at the same institution and reported in serious condition were the driver of the car, Clifford Kratzter, 19; Midieburg R. 2; Mary Jane Snyder, 16, Lewisburg, and Jerry Raugh, 23, Hummel's Wharf.

State police said the accident occurred about 2:20 a.m. on Rt. 204, about three miles north of Kratzerville, Snyder County.

A truck driver, James Martin Jr. of Scranton, discovered the wreck when his vehicle ran over fallen wires in the highway.

TV CRITIC IS UNHAPPY WITH WEEKEND FARE

By CYNTHIA LOWRY
AP Television-Radio Writer

NEW YORK (AP) — Early Bird, we were assured during the first commercial telecast a week ago, is no toy. Network television, however, seems much more fascinated with bouncing stunts off the satellite in the sky than in cohesive, well-organized programs.

CBS' Saturday night special was called "Victory in Europe, 20 Years After," an awkward enough title, but not anywhere near as awkward as the program itself.

Dwight D. Eisenhower, supreme commander of the Allied forces in that great war, was in a New York studio obviously eager and ready to speak of the great issues. Field Marshal Viscount Montgomery, one of Britain's great soldiers, was in Winston Churchill's underground war room in London, ready for a buddy-to-buddy chat with his one-time superior.

Called "Mistake"

But that obviously was not the plan. Most of the program was devoted to views of some of the great war landmarks — St. Lo, Monte Cassino, Coventry, Bergen-Selsen, Berlin and others.

An hour program on the 20th anniversary of V-E Day, a date stirring memories on the part of millions, could well have been devoted to showing how the war-shattered communities and their people have healed the wounds. Welcome too, would have been a program in which these two great military men exchanged reminiscences and opinions. But to try to cram both in disorderly fashion into the same package was a mistake.

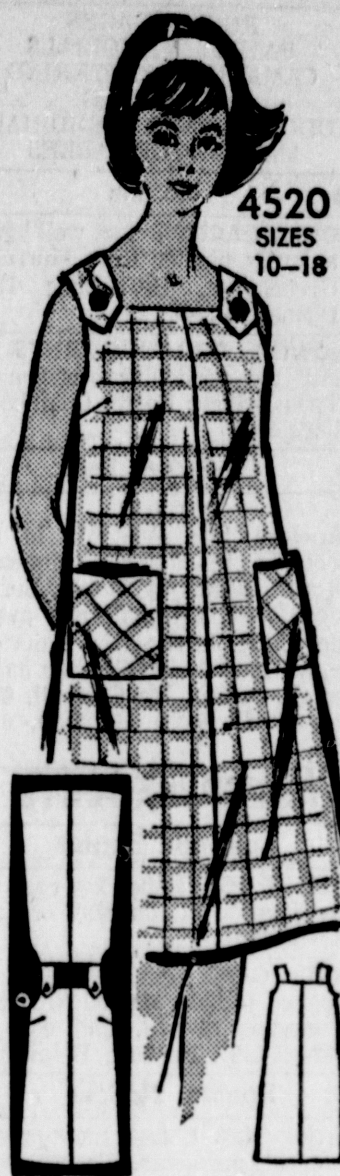

SHALLOW SHOW

NBC's Sunday example of public affairs programming called "The Loyal Opposition," was a shallow exploration of the status of the Republican party. It seemed to have been basted together from bits of recent — and lesser — public speeches by Barry Goldwater, William E. Miller, Richard M. Nixon, Everett M. Dirksen and some Young Republicans. The speeches were the usual exhortations to work for party unity.

Ray Scherer, the narrator, had a difficult time finding anything to interpret in all this, other than to suggest that the minority party would be around a while longer, which most of us already suspected.

KU KLUX KLAN HOLDS PARADE, RALLY SUNDAY

ANNISTON, Ala. (AP) — Ku Klux Klan leaders held a massive Mothers Day rally and parade in this northeast Alabama city and heard Imperial Wizard Robert M. Shelton declare that "segregation and purity of the races is God's law."

There were no disorders, nor arrests, as the klansmen and about 500 supporters met in the Municipal Auditorium and then paraded for 10 blocks under a warm sun through the downtown area.

The orderliness of the demonstration was in sharp contrast to Mothers Day in 1961 and 1963 when there were outbursts of racial violence here.

PRESENT TRIO

Joining Sunday's marchers were the three Klansmen charged with the March 25 slaying of Viola Liuzzo, a Detroit housewife who was shot to death near Lowndesboro while shutting civil rights workers from Montgomery to Selma following a march to the capital.

The trio—Eugene Thomas, 43; William Orville Eaton, 42, and Collier Leroy Wilkins Jr., 21, all of the Birmingham area — got a standing ovation when they were introduced by Shelton.

Wilkins was tried in Hayneville, Ala., last week, but the case ended in a mistrial when the 12 jurors deadlocked 10-2 for a conviction on a lesser charge of manslaughter. The case will be tried again. Thomas and Eaton are awaiting trial. Alabama cities such as Scottsboro, Plant City, Linden and Dothan plan to counter what Shelton termed the Klan's adverse publicity.

ACCUSES REDS

The rally here coincided with the fourth anniversary of the Mothers Day 1961 burning of a Greyhound bus, occupied by Negro and white "freedom riders."

Shelton told the audience to "fight for purity of our children" against what he called a Communist conspiracy. He said that the Klan "is battling socialism and the anti-Christians," and that a massive network of Communist conspiracy has taken hold of the federal government.

Tass said the rocket at 10 p.m. Sunday was 70,000 miles from the earth and was close to its planned course.

Marshal Georgi Zhukov, one of the Soviet Union's top World War II commanders, appeared among the Soviet leaders. It was his first appearance at a Red Square parade since former Premier Nikita Khrushchev ousted him as defense minister in 1957. He made his first public appearance in eight years at a Kremlin rally Saturday.

In New York, former President Dwight D. Eisenhower, the Allied commander in chief in World War II, said the time had come for the Soviet Union to "rehabilitate" Zhukov.

"He was a very good soldier," Eisenhower said, "and he tried his best to make things work in Berlin."

Most of the Atlantic Alliance ambassadors skipped the parade by what some diplomatic sources said was prior agreement. Only the French and Icelandic ambassadors attended.

The exact time or place of the launching was not announced, but it presumably took place about the hour the Kremlin gave its first public display of the kind of rockets that have carried its manned space ships into orbit.

NEW SCHOOL SUBSIDY BILL TO BE OFFERED

By THE ASSOCIATED PRESS
HARRISBURG (AP) — Scranton administration bills on a new school subsidy formula and a state scholarship program are expected to be introduced this week in the General Assembly.

An aide said duplicate bills on each proposal were drawn so that identical versions could be offered in the House and the Senate.

However, it remains to be seen whether House Democrats, who control the chamber, will join the administration in offering the legislation.

Under the present timetable, the subsidy formula bill is to be offered when the General Assembly reconvenes today.

MENTIONED BY GOVERNOR

The \$2 million scholarship bill would be offered Tuesday under present planning, which still is subject to last-minute change.

Both the subsidy system and the scholarship program where two needs spotlighted by Gov. Scranton in his special message on education delivered to a joint session of the legislature last month.

The new subsidy formula is being offered in an attempt to equalize state aid to local school districts. One of the deficiencies often cited by critics of the present system is that it is weighted in favor of the rural districts at the expense of the cities and suburbs, where the education load is considered heaviest.

FOLLOWS STUDY

The new system is to use pupils instead of teaching units as a basic factor in determining aid to the local districts. It also is to contain special considerations for the most heavily and sparsely populated districts in the state.

The formula was arrived at after better than a year-long study by a special finance survey committee appointed by Scranton almost a year and one-half ago.

The scholarship program would be the first real state venture into broad-based direct aid for Pennsylvania's college students.

As presently drawn, only col-

lege freshmen would be eligible for the scholarships in the first year of operation. One class would be added each succeeding year until all four undergraduate years of college are included.

The program is to be administered by the Pennsylvania Higher Education Assistance Agency, which currently directs the state's two-year-old college loan program.

OTHER DEVELOPMENTS

In other developments: Reapportionment—Rep. Harry R. J. Comer, D-Philadelphia, said over the weekend that there is not much chance his House Reapportionment Committee will release a resolution designed to circumvent the U.S. Supreme Court's reapportionment decision. Rep. Erwin L. Murray, D-Camden, meanwhile said he would renew his demand today that all House bills be read at length in order to flush the resolution out of committee—a demand he originated last Monday.

Discharge resolution—A vote on a discharge resolution seeking to free from committee a bill to repeal the 1963 mandatory school district reorganization act is pending in the House today. If passed, the committee would be required to send the bill to the floor. However, veterans on Capitol Hill can not recall such a resolution ever passing in either chamber before.

Reapportionment plan—Comer said elements of the Democratic leadership appear to be favoring a reapportionment bill calling for only single-member districts. Multi-member House districts are common-place in the legislature.

Carole Tyler, Of Bobby Baker Probe; Is Killed When Plane Falls In Sea

OCEAN CITY, Md. (AP) — Civil Aeronautics Board probers picked up the search today for the sunken plane wreckage in which Carole Tyler, 26, who figured in the Bobby Baker investigation, lost her life in a Sunday joyride over the Atlantic Ocean.

Killed with the former Capitol Hill secretary was the pilot, Robert H. Davis, 43, of Huntington, W. Va.

Both had been staying at Baker's Carousel Motel, which is one of the plushiest hostels in Ocean City and stands about 1,000 yards from the scene of the crash.

HAD JUST MET

Motel officials said Davis, who had spent a week at the Carousel, and Miss Tyler, who arrived last Friday to do some work for Baker, had just met. He invited her to see the beach resort from the air with him, they said.

Davis, a commercial pilot for a West Virginia coal company, had flown the plane from Huntington and kept it at the Ocean City airport. Witnesses said they saw the single-engine biplane swoop along the Atlantic beach, turn suddenly up and out to sea, then plunge into the water.

"FLYING LOW"

Sam Borzymowski, 18, an office worker from Baltimore, said the plane was "flying sort of low." He and some friends were among thousands sunning themselves on the beach at the time.

"It did an inside loop and it came almost straight down," said Borzymowski. "It came to the crest of the loop, and then went down and sank on impact with the water."

Police Sgt. John Quinn, a friend of Davis, saw the crash

while driving along the Ocean Highway. Quinn said he had planned to go aloft with Davis about 30 minutes later, when he was to be relieved from duty.

SEARCH AREA

Coast Guardsmen searched the area over the 23-foot depth until nearly dark, then withdrew after finding only a tire and an oil slick.

Ocean City officials said the Civil Aeronautics Board had stepped into the investigation today.

"This is a tragedy," said Baker after arriving at Ocean City 3 1/2 hours after the crash. "I can't say any more."

He had come from Washington in a chartered plane upon hearing first reports of the crash. After confirming that Miss Tyler had been aboard the craft, he made arrangements to claim the body, a city official said.

SCHOOL QUEEN

Miss Tyler, a former high school beauty queen from Lehigh City, Tenn., had worked for Baker when he was secretary to the Senate Democratic majority. After he quit because of the Senate investigation into his outside business activities, she remained in his employ.

During the probe she was called as a witness. She invoked the Fifth Amendment in refusing to testify about his purchase and transfer to her and her roommate of a \$28,800 Washington town house.

She told newsmen last January, nearly a year after her Senate appearance, that Baker merely had lent his name to the transaction because she and the roommate could not qualify for a federal housing loan.

17 DEAD FROM PA. ACCIDENTS OVER WEEKEND

By THE ASSOCIATED PRESS

Accidents killed 17 people—15 of them on streets and highways—over the weekend in Pennsylvania.

Set Memorial Mass For Missing Bride

PASADENA, Calif. (AP) — A solemn requiem memorial Mass will be celebrated Wednesday at 10 a.m. for Eileen Jeffers Yager, who disappeared from her honeymoon yacht in coastal waters.

The former Miss Jeffers, 61, and her husband, a railroad fortune, wed Superior Court Judge Thomas C. Yager, 47, last Monday. The couple were returning to the mainland from Santa Catalina Island on a chartered yacht Thursday when she disappeared.

Yager told authorities he left his wife at the wheel and went below. When he returned to the deck she was gone. Coast Guard officials say they plan a routine investigation this week.

HOPE TO PASS VOTING BILL

By WILLIAM F. ARBOGAST

WASHINGTON (AP) — Senate leaders hope for passage this week of the administration's Negro voting rights bill.

In the House, emphasis will be on appropriations measures totaling more than \$60 billion.

The key to Senate progress on the voting rights bill may be a vote scheduled Tuesday on an amendment by Sen. Edward M. Kennedy, D-Mass., and 8 other senators to ban poll taxes in state and local elections.

The amendment is opposed by the Senate leadership of both parties and by the administration on grounds of doubtful constitutionality.

Both Democratic Leader Mike Mansfield and Republican Leader Everett M. Dirksen favor an amendment expressing the sense of Congress that poll taxes have been used to discriminate and directing the attorney general to challenge them in court.

Atty. Gen. Nicholas Katzenbach favors this approach too.

But Kennedy and Sen. Jacob K. Javits, R-N.Y., said in a statement issued Sunday night that adoption of the Mansfield-Dirksen proposal might lead to prolonged litigation without ending state poll taxes.

BLAME PILOTS FOR 4 DEATHS

WASHINGTON (AP) — The Civil Aeronautics Board has blamed the pilots of two light planes which crashed and killed four persons in separate accidents in Pennsylvania last year.

The CAB, in a report Saturday, said pilot William A. Everett, 31, of Piney Point, Md., did not prepare his flight adequately and attempted to continue visual flight in adverse weather.

The plane, coming from State College, Pa., crashed near Ickesburg, Pa., on Sept. 19, killing Everett and two passengers.

The board said the pilot of another plane, Dr. Dwight A. Jackson, 53, of Winston-Salem, N.C., did not prepare his flight adequately and did not pay attention to the fuel supply in a crash Nov. 6 at Center Valley, Pa.

Dr. Jackson was seriously injured. A passenger, W. H. Dillon of Winston-Salem, was killed.

The board also reported that Clifford Lee Harton, 33, of Washington, Pa., was not qualified to fly the type of plane he was operating when it crashed during a demonstration flight at Fairfield, N.J., last Nov. 15. Harton and four others, all from New Jersey, were killed.

KEEP FIGHTING FOR OLMSTED

WASHINGTON (AP) — Rep. John C. Kunkel, R.-a., says he could produce expert witnesses who say the proposed closing of the Olmsted Air Materiel Center at Middletown, Pa., would degrade U.S. Air Force support activities.

Kunkel, in a letter Sunday to chairman L. Mendel Rivers, D-S.C., of the House Armed Services Committee, asked the group to see if there is any relationship between the planned closing of Olmsted and what he termed "the tremendously high loss of planes in Viet Nam."

He said Defense Secretary Robert S. McNamara was wrong in predicting that it might be possible to withdraw troops from Viet Nam by the end of 1965 and "if he is similarly wrong in his estimate of the effect of the closing of Olmsted on the integrity and efficiency of our air support, it may well become a national disaster."

BRISTOL, Pa. (AP) — The body of a woman found at the edge of a lake in Falls Township has been identified as that of Frances Katz, 36, of Philadelphia. Her body was discovered by two youths Saturday and was identified Sunday by her husband, Herbert. Death was caused by drowning, authorities said.

PHILIPSBURG, Pa. (AP) — The body of a Texas pilot and his crashed airplane have been found on a Centre County mountainside.

The body of Newt Ray of Harlingen, Tex., and the wreckage of his single-engine Piper Pawnee were found Sunday on a thickly wooded mountainside eight miles south of Philipsburg, state police said.

The Civil Air Patrol said Ray took off April 7 at Lock Haven in his crop dusting plane bound for Brownsville, Tex.

The plane plunged to earth about 200 yards from Route 350. Police said both the plane and Ray were burned.

The wreckage was spotted by a pilot from the air.

Ground and air searches were conducted for Ray April 12-27.

There are 60 yacht clubs in the Soviet Union.

Workman Crushed By Bomber Gear

PALMDALE, Calif. (AP) — A workman was crushed to death by the landing gear of a giant XB70A triple-sonic bomber while watching a static test, says a North American Aviation, Inc., spokesman.

The spokesman said Wilbert Lanning, 50, of nearby Lancaster, was in the plane's wheel well, watching the gear being raised and lowered as the plane rested on jacks in the hangar Sunday. He leaves his widow and a son, John, 23.

BIRMINGHAM, Ala. (AP) — Four young Pennsylvanians have been indicted on charges of robbing a Birmingham area gas station attendant last April 10. The Jefferson County grand jury returned indictments Saturday against Wade Brewer, 17, of Parker Ford, David Harps, 18, and Edgar Banks, 18, both of Pottstown, and David Wade, 20, of Spring City. Brewer and Harps were held under \$1,000 bond. The others face arraignment May 28 and have been held in Jefferson County Jail.

EARTHQUAKE THAT DIDN'T HAPPEN HAD FOLK UPSET

EDITOR'S NOTE—A story of needless trepidation in Seattle. A different form of smelting in Minnesota. Novel use of an old railroad station in Baltimore and a question of Indians as tourist attractions in New Mexico are among snippets from the U.S. scene this week.

SEATTLE, Wash. (AP) — The earthquake that didn't happen caused nearly as much consternation as the one that did.

The Old Farmer's Almanac indicated a two-day earthquake period for the Northern Hemisphere beginning April 29. That's just when the Seattle quake came to pass, causing seven deaths and \$15-million damage in the Puget Sound area. Then word got around that the almanac also warned of temblors May 5 and 26 in the Northern Hemisphere.

That takes in a lot of territory besides Seattle, but the jangled nerve set was sure it meant a repeat performance.

Some people left town, others secured cupboard doors with rubber bands so they wouldn't fly open, a secretary wrapped some prize vases in dish towels and laid them carefully on the floor.

Came May 5 and nothing happened.

BALTIMORE, Md. (AP) — The old Mount Royal station would surprise the generations of railroad commuters who routinely filed through its cavernous waiting room.

The vaulted waiting room is now a lecture hall; the baggage room is a sculptor's studio, and second- and third-floor offices are painting lofts.

The Baltimore and Ohio Railroad closed the landmark to passenger traffic in 1961, and it stood desolate for a while. But the Maryland Institute College of Art recently bought the station and is putting its spaciousness to good use.

HARRISBURG, Pa. (AP) — Rep. Clyde Dengler is one Republican who can call the tune for state legislative Democrats almost any time he wants and get away with it.

Dengler is leader of the legislative chorus.

A former professional singer, Dengler, of Upper Darby in Delaware County, helped create the

GILLETTE, Wyo. (AP) — A Gillette rancher no longer has any trouble with hunters leaving his gates open. The following sign is posted on his gate.

"Hunters: Please close this gate behind you. The last man who didn't is 10 paces to your left."

Ten paces to the left of the gate is a mound of dirt with a headstone.

legislative chorus in 1957, his freshman year in the House. He is director of music of the Upper Darby school system.

From its humble beginning as a quartet, the chorus grew to its present 21 members, comprising members of the House and Senate, lobbyists, legislative employees, and even a page boy or two here and there.

INDIAN TO STAY

SANTA FE, N.M., (AP) — Tourist trade is a big factor in New Mexico's economy and the Indian is a big factor in the tourist trade.

Now the state's tourist promoters have to contend with a new survey report that says many outsiders couldn't care less about the Indians.

The report from a New York firm, under contract with the New Mexico Department of Development, said there was considerable feeling among those interviewed that if you've seen an Indian once, that's enough.

The Indian has been a mainstay in the state's national tourist promotion. The Indian will remain so, state tourist division officials say, because the state has a lot of Indians and there are a lot of tourists who want to see them.

DULUTH, Minn. (AP) — Dipping in the dark is still the best way to catch smelt.

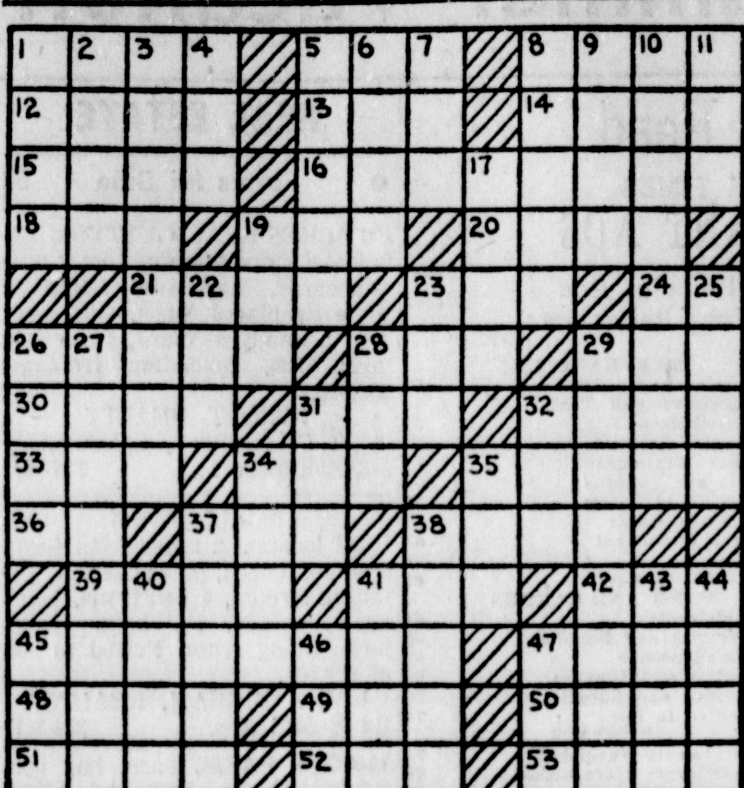

Smelt are a silvery fish, larger than a sardine, smaller than a herring. They come to Lake Superior shores near Duluth in hordes each spring.

So do smelt fishermen. They came this spring equipped with catch containers ranging from ordinary waterpails to steel stock watering tanks mounted on trucks. Game wardens have an easy time. There is no bag limit.

While seining is permitted, the dip net on a pole is the smelter's standby in working the rocky shores and swift-flowing streams.

Dipping starts about 10 p.m. when smelt head for shore or upstream to spawn. Sometimes the score is high on each try in the frigid water. About 4 a.m., when the run stops, its back to the campfire for a fish fry and sleep.

A Lovelier You

By MARY SUE MILLER

A lovely writes: My figure problem is the worst—a fleshy roll across my back at the bra-line. I wear a built-up bra, but it doesn't

really conceal the trouble. Just pushes the fat up or to the sides! Fashions, summer fashions in particular, are a trial to me. I'm ready and willing to take any steps that would reduce my back.

The Answer: Reduction is a four-part process, and it works for any needy woman who is "ready and willing":

1. Check the fit of your bras. Even though they take a high rise, they will accentuate the problem unless fitted to smooth the flesh without pinch.

2. Check your weight. A fatty back seldom develops in a woman of normal weight. If you are over the norm, a reducing diet is the next step.

3. Perform these spot reducers: Standing erect, hug sides of ribs with elbows and gently massage the flesh via quick, pumping arm motions.

Next, lie back down on floor and raise knees so that soles of feet rest flat. Stretch arms out at shoulder level, palms up. Bend elbows sharply and touch fingertips to ears; very slowly return arms to extended position. Repeat 15 times, working for increased tension in arm and back muscles.

4. Make a habit of drawing shoulders down and head up. The stretch is an A-1 reducer.

Couple Married On River Ferry

RICHMOND, Ky. (AP) — It wasn't exactly a sea of matrimony, yet Edgar Mason Johnson and Patsy Jean Murphy exchanged their marriage vows on the deck of a Kentucky River ferry boat.

The ceremony was performed by the Rev. Orville Casey who operates the paddle-wheel ferry at nearby Valley View.

TOP OFFICIALS MUST TELL OF "MONEY TIES"

WASHINGTON (AP) — President Johnson has ordered 200 top government officials—including Cabinet members—to file statements of their financial interests with the Civil Service Commission.

An executive order issued Sunday also gave the Civil Service Commission authority to require similar statements from 2,000 lesser officials. These would be filed with the heads of their agencies.

The seven-page executive order which superseded several existing directives, set strict standards for 2.5 million civil servants limiting acceptance of gifts, entertainment and favors by executive branch personnel.

KEPT SECRET

All statements will be kept confidential and not made public. The Civil Service Commission or the head of a department or agency, however, will make available to the President any information they feel he should have.

The order was the first directing the filing of statements by presidential appointees. Some congressional committees have asked for such information in connection with confirmation of nominees.

The order does not apply to Johnson but one official said he expects the President to file a statement because "I am confident it is his intention to do everything that is required of any other employee."
